

CITY OF VANCOUVER
COMMUNITY SERVICES
Housing Centre

November 23, 2002

Dear Camper,

The City is preparing to clear the furniture and tents from the sidewalk, sometime over the next week.

It is important now, that you make a plan, about where you will go.

Please gather your possessions, and be packed, and ready.

If you have nowhere to go, it is important that you give your name to Judy Graves or Bob Ross, so we can provide assistance.

Sincerely,

Judy Graves
