November 29, 2000.

Dear Camper,

This message is **URGENT**.

The City is preparing to enforce the injunction. The sidewalk must be cleared of tents, mattresses, tarpaulins, furniture, etc.

Please pack your possessions.

Bob Ross, or the Saferide Van can help you get your things to Carnegie Centre.

Help will be available from noon 'til 4:30 P.M.

At Carnegie, you can get a referral to a shelter bed, and fill out an application for welfare.

Bring this letter to Carnegie, and we will give you lunch, and coffee.

Sincerely,

Judy Graves
