- 100	9.00	15.00

For orders over \$100.00, postage & handling
within Canada is 10% of the total order,
outside Canada is 13%.

Our postage & handling charges reflect
revised book rate postal regulations, and allow
for the time and cost of preparing mail orders.

Our Mission Statement

Women's experiences show that the established health care system denies and undermines the needs of women; therefore, the Vancouver Women's Health Collective will advocate and lobby to change the established health care system and provide women with resources to make their own health care choices.
