

# Attention Concerned Citizens

- Death due to illicit *drug overdose is up 40%* over last year.
- 247 people have overdosed so far this year.
- Almost 2000 people have overdosed since 1992.
- Safe injection sites, legally prescribed heroin and cocaine and accessible adequate detox will save lives.
- Sitting by silently while people continue to suffer and die is murder.

Friday, September 18th

at 3:00 PM

the *Vancouver Area Network of Drug Users* (VANDU) is gathering to demonstrate our grief and outrage. We invite all caring compassionate Vancouverites to join us.

*Together we can stop deaths, crime and disease.* For more info, call 253-5485
