

**Ever wonder what it would
be like to live in a nice
apartment for \$325/mo?**

It is possible! We can get social housing built in Woodward's, at the old Portland Hotel, and the Cordova Resident. The deals have been made and the new government is canceling them calling it a "freeze". People who live in slum hotels have the most to lose and the most to win. Come to:

Woodward's Parkade

(on Cordova between Cambie & Abbott)

on

Thursday, Nov. 22nd

at

12 noon

We are getting organized.

You can sign up to be a hotel organizer at VANDU #350 -163 West Hastings St. or at the above action. For more information call the VANDU Housing Committee 604-683-8595 or 604-719-5313.

This event is sponsored by Tenants Rights Action Coalition (TRAC) & Carnegie Community Action Project (CCAP) and is part of a National Day Of Action On Housing.
