MODERATED BY **GREGOR CRAIGIE** FROM  
CBC'S *ON THE ISLAND*

Please join us to discuss a vision of how  
needle exchanges and harm reduction can be  
part of a safe and healthy community.

A panel of compelling speakers will make  
short presentations about the prevention of  
harms related to substance use, followed by  
an interactive question period.

### SPEAKERS:

**DR. THOMAS KERR**  
Director, Urban Health Research Initiative,  
BC Centre for Excellence for HIV/AIDS;  
Assistant Professor, Department of Medicine, UBC

**MARK HADEN**
