

COMMUNITY FORUM ON POLICE VIOLENCE  
AND THE CONNECTION TO GORDON CAMPBELL

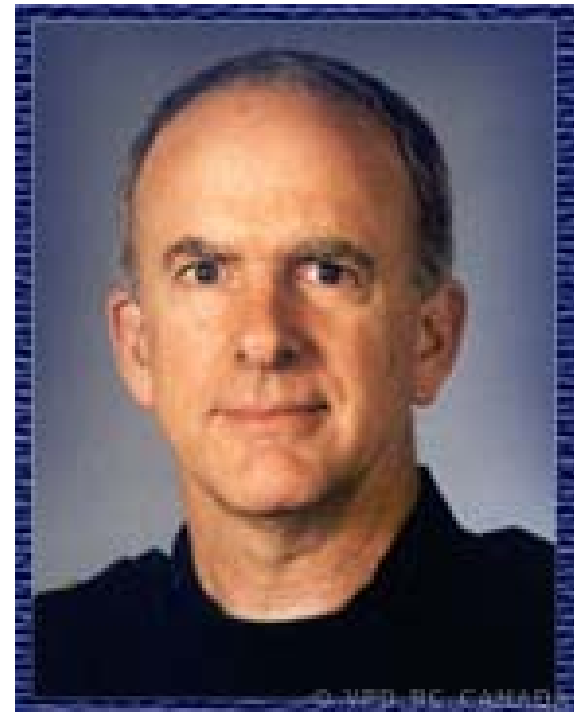

TODAY SATURDAY  
12 OCTOBER 3-5PM  
BRITANNIA AUDITORIUM

#### POLICE ATTACKS & LIBERAL CUTBACKS

This forum will feature video footage from the Police Riot at Britannia last week. It will also be a chance to share and build strategies to fight against this brutal Liberal government. There will be various panelists from the Grandview-Woodlands community speaking about the police attack and our community's response. We also hope to solidify some demands to be taken to the next public police board meeting which is wednesday october 16th at 3pm at the vancouver public library. There have been 75 arrests in the past 2 weeks at Britannia and Woodwards. It's time we organized to end the reign of terror coming from the true thugs: the police, Gordon Campbell and the BC Liberals. (Thanks to APC for calling this one!--604-682-2726 or [apc@resist.ca](mailto:apc@resist.ca)). Check for updates at: <http://www.woodsquat.net/britannia.html>.

# DANGER

## VIOLENT REPEAT OFFENDER SEEN IN NEIGHBOURHOOD

Meet Jamie.

Jamie is the boss of a “new era” in police violence.

Jamie is the boss who ordered \$140,000 worth of riot squad on the peaceful and non-violent residents of the Woodward's Squat on the morning of 21 September.

Jamie is the boss who ordered the attack on the homeless on 22 September and used city garbage trucks to destroy people's blankets, mattresses, clothes, food and identity cards that same night.

Jamie is the boss who ordered badge #2072 to conduct the brutal take-down of George the Clown, the 13-year-old Britannia schoolkid, and six political demonstrators at Grandview Park on 03 October.

Jamie is the boss who ordered the paddy wagons to detour to the Canadian Tire parking lot for arrestee “special treatment” prior to arriving at jail on 03 October.

Jamie is the boss who ordered the subsequent targetting and arrest of political dissidents in the downtown eastside on 04 and 05 October.

Jamie is well-known as a “problem solver” and gets the job done for his political bosses: the Liberal Party.

No job is too small for Jamie.

So be careful. Watch your back. Watch your possessions.

Never trust the Vancouver Police.
