

## HELP US COMPLETE THE INVENTORY

The Woodward's Coalition Legal Committee & Friends of the Woodward's Squat are working to make this inventory as complete as possible before pursuing legal action against the Vancouver Police.

Police seized or destroyed possessions on 21 and 22 September without any legal authority to do so and will have to return or replace all missing items.

If you have not yet given us a list of your stuff, please do it this week! See Aaron or pick up a form and pen at the kitchen.

## STOP THE ATTACKS!!!

DEMAND AN END TO POLICE BRUTALITY AND HARASSMENT!!!

The Collective Opposed to Police Brutality is calling for a demonstration at the next VPD Board Meeting:

- \*What: Bring your banners, pickets, leaflets, doughnuts and voices
- \*Where: Vancouver Public Library, Downstairs
- \*When: Wednesday October 16, 2002 at 2:30 (Board meeting starts at 3:00 but we need people there by 2:30 PM sharp to "greet" the police board, especially Chief Jamie Graham)
- \*Why: The VPD have escalated their brutalization of marginalized people under the Gordon Kambell regime. Whether its throwing homeless people's belongings into the garbage, kicking homeless people in the head, abducting activists from the streets, beating-up young people in parks, ignoring calls for a public inquiry into Vancouver's missing women, or standing in the way of needed health and social services for addicts and poor people, the VPD must be held to account by the people! Enough is ENOUGH!!!
