

INTERVIEWS & PHOTOGRAPHS

Friends of the Woodward's Squat is trying to complete our collection of squat interviews & photographs. If you want to be in the collection & haven't yet done an interview or had your picture taken leave a note for Aaron with Davin at the Dominion or Wayne at the Ivanhoe. The interviews will be made available for writers, videographers and activists who want to produce critical studies of the squat. We may also compile some kind of anthology with selections from the interviews.

A BOUQUET

From the B.C. Civil Liberties Association

To **The Woodsquatters**, for making a very important point in a dignified, non-violent way. At a time when demonstrations so often degenerate into police/ protester melees, this is a shining beacon for how protests can raise awareness, get action on an issue and do it peacefully. Quite an accomplishment for a disparate collection of groups and individuals in really tough personal circumstances. Congratulations to all of you, and congratulations to the new city council for helping to make it happen and the VPD for showing necessary restraint in allowing it to happen.
