

Vancouver Squatters' Alliance

We don't have bosses or leaders: each of us is a leader.

We don't make demands or bargain: we take whatever we need.

We don't talk to media: media is six.

Open to all inside & outside squatters in the Vancouver area, living on "public" & "private" property alike. Includes anyone living without homes: our brothers & sisters incarcerated in prisons, hospitals, SROs, social housing, or on the street.

Lifetime membership is free. We don't keep a list of members.

Ask around for Crazyhorse Junior to get a membership card.
