- We have read Bylaw.
- 1) how do they obstruct?
  - 2) measure inches on each street -
  - 3) what violation? which part violate? -
  - 4) under who
  - 5) when you may see people at the spot cannot read - must be instructed verbally -

You are using or occupying tents, structures, and objects on City sidewalks in the 100 block West Hastings Street, the 300 block Abbott Street, and the 100 block Cordova Street. These tents, structures and objects block the free use of the sidewalks and violate the City's Street and Traffic By-law.

*we can assist in communication if you give adequate notice*

**I demand that you remove these tents, structures, and objects from City streets, including City sidewalks, ON OR BEFORE NOON ON WEDNESDAY, OCTOBER 30, 2002.**

\* Under if Mr. Rudberg demands personally or if the City demands  
 If you need help finding a place to stay, you may contact the City's Tenants' Assistance Program (604 873-7488) who will help find housing for you.

what if they don't? **THREAT**

If you need help with the removal of tents, structures, or other objects from City streets or sidewalks, you can contact the City's Engineering Services (604 323-7650) to arrange for the removal and disposal of those items.
