News From Toronto (Updated 03 November)

British Columbia Liberal Hotline

DEMANDS

The Coalition of Woodward's Squatters and Supporters formed to fight for social housing as a solution to the housing crisis in Vancouver and all across British Columbia. When the Liberals froze social housing spending in March of 2002 they made a bad situation worse for poor people in the province. Homelessness, wretched living conditions and ridiculously high rental fees have made life dangerously unstable and difficult for many people in BC.
