Hello Aaron,

Thanks for your email. I am still waiting from Gordo's response, but funny enough, he hasn't had time. :)

I have attached the letter in text format.

I noticed yesterday on the Vancouver Indymedia site that they had a number of witness testimonies on the site and were looking for people to do transcripts of the interviews. I listened to a couple and can get them actually quite clear here in Costa Rica.

If volunteers are needed to support writing transcripts of testimonies, speeches, etc., I could probably do one a day, maybe two if they are short, from those posted on the internet. The reason I didn't offer to do so yesterday is because I wasn't sure if other people would be doing them or not, and did not want to repeat work that was already being done.

Please pass my offer on to help with transcripts, it is the least I can do to support you from Costa Rica, given I can not be at the squat with you.

All the best,

Beth Clarke
