

No Olympics!

Mobilization Against The 2010 Olympic Bid !

**4 PM
MARCH 5th
Art Gallery
(Robson St. side)**

Gordon and Larry Campbell want you to believe the Olympics would be good for our province, city and communities. The truth is the Olympic dream is for the few wealthy developers, business owners and politicians which profit from the Olympics.

The rest of us are faced with the nightmare of increased rents and evictions, theft and exploitation of indigenous land, and billions of dollars of public funding put towards a corporate sporting event rather than much needed housing, health care and social services. The International Olympic Committee is in town. Let's tell them what we think of their games.

March and Rally to demand...

- 1. Immediate End to the Disability Review Process**
- 2. Restore Funding to Social Housing**
- 3. End the 3 Week Wait and Reverse Welfare Cuts**
- 4. No Olympics on Stolen Native Land**
