

AIDS Vancouver Island

AIDS VANCOUVER ISLAND

IS IN THE BUSINESS OF SAVING LIVES.

We're working hard to prevent HIV infection among youth. We work hard to help people who use drugs to stay safe...and to stay alive. And we're helping people already living with HIV to stay healthy.

We're a registered charity that has served Victoria & other island communities since 1986.

Please think of us the next time you review your annual donations, estate planning or planned gifts.

WE CAN USE YOUR HELP

250-384-2366 | 1-800-665-2437
