DRURY

~~2/5/7/30~~

(1)

- Planning in June, July, Aug.

4
ept

- I'm spoke w/ unions, anti-pov. org. rally
35 or 40 people. Jim wasn't there.

- surprised all of us -

- little logistical prep.

- chaotic opening, by invitation only.

- marched down, banners, ladder. I'm calls up.

- Gay let the ladder down.

- 1st meeting inside approx. 7-8pmish - decide.

3 decisions

1. Police
2. ladder - who stays?
3. decision-making
4. food, meetings, etc.

Under 3 days stay - initial loc
7 days stay - modified

First decided #3

Jim: Decisions: There are people outside who make the
Bev: decisions - Always instructed from beyond

APC: one person, one vote.

No individual negotiation with police.

100% access.

Ratgolf - talking to police officer / credit want to show schisms, compromise individuals

- sweepy
- minor sleeping areas
- exploring; relaxed

- Bev's rental of room across

DERA employees

Lily's rôle

VPD: no overt attacks: expand as limited.
seems: why did they underestimate.

strategies of (division): (destabilizers): snipe against each other.

- (a) plants to cause stress -
- (b) \$7300 cash -
- (c) "it's gone too far" line - target supporters.
- (d) legitimate homeless.

~~Political~~

→ static project: day-to-day living: entrenched.
institutionalized in DTEB

↓
 WSHC

→ removed connection to outside: choir serve.
 related via guilt instead of solidarity -

- drug inside ("most people went a week without using") - forgot about self -

- drug outside

BC Housing Occupation: - focus ^{political} back

- precursor to Give it or Guard it

- expanding boundaries outside DTEB

- 10/03 - Brittan's Disruption - behavior of cops at Brittan's
- blow against expansion
 - contain + exhaust in DTEB.
 - extreme aggression worked: paint APCs outsides.

10/22 - Interest mtg. Ucam are of few times
people took control of City Council
meeting. -

records? ← city began to prepare politically to
take squat down

- less participation in meetings, chaotic,
less focus - difficult to get anywhere -
- if we had done our job - ① create leaders
② ~~out~~ educate on how to run meeting.
③ deeper disc. of purpose of squat.

a vacuum of leadership -

Q - "once jim left we didn't know what to do."

10/26 - Give It or Give It

- desperate

- wasn't what needed to be done then -

vision
of organizing

- ① We will win.

② dominion

- Agile without organizing: Game 1 to Game 14.

- exact same strategy as opening of building.

- as weighty as the opening.
