

**February 14. 2pm. Lifeskills Centre, 412 East  
Cordova st. Across from  
Oppenheimer Park.**

A Call out for all those Woodward's Squatter's who were  
assaulted or lost property at **WoodSquat on Sept 21/22, 2002.**

-Hold the Police and City accountable and get money for it-  
(We hope!)

The Woodward's Legal Defense Committee has met with  
several lawyers to determine the best course of redress for  
these issues. In order to hold them accountable for brutality  
and loss of property, we will be assisting individuals in suing  
the VPD and the City of Vancouver in Small Claims Court.  
This is a civil court action which does not require the presence  
of lawyers (ever seen the People's Court or Judge Judy on  
TV?) and the Legal Defense Committee is able to assist and/or  
represent people in Court and in filing the forms necessary for  
this process.

All court fees are covered by the existing Woodward's Legal  
Defense Fund. Anyone who wants to sue the City or VPD  
must attend or contact the Legal Defense Committee  
at **[woodwards-legal-defense@lists.resist.ca](mailto:woodwards-legal-defense@lists.resist.ca)** or ask at the  
APC or LifeSkills office for one of us.

See You There!
