From Sarah White Wed Sep 25 23:45:35 2002Hello everyone,

Attatched if a poster for squat support night that is being organized for this Friday night (from 6:00 pm onwards)

If you are involved with a school or students' union and you would like to promote this, feel free to make any adjustments to the poster (like adding your own contact info) and put them up.

If you are involved with another organization (other than a school) you are welcome to come down and Friday night anyhow, or you may want to organize a similar support night with your workplace, community group or union.

In spite of what the media would like us to believe, public support on this issue is big and growing. The fight for low-cost social housing is linked to the Olympics debate, to the ramifications of the cuts and layoffs that are sweeping the province, and to the travesty of the 50+ missing women from the Down Town East Side.

Inspite of the outrageous behaviour on behalf of the police over the last few days, the morale among those directly involved in with the Woodward's Squat remains admirably high. The will is there. I really believe that this struggle could become the catalyst for major change in this province.

May I respectfully suggest that if you have been thinking about getting involved with the Woodward's Squat but haven't yet done so, now would certainly be the time.

in solidarity,

Sarah White

ALL STUDENTS' SQUAT SUPPORT

Friday, September 27

from 6:00 pm onwards

In response to an urgent call for volunteers at the Woodward's Squat, post secondary students from across the mainland are joining together in the fight for low-cost social housing.

Working with the Squatters this coming Friday, we will help alleviate the pressure on the volunteers (who have been working on location around the clock) by collectively assuming responsibility for a night of work.

The events which have unfolded at the Woodward's building over the last two weeks are truly historic. It is in all of our interests that more affordable housing be made available in this province. Let's take this opportunity to get involved and help bring victory to this struggle!

We can help:

- Run the 24 hour food table
- Bring donations of food, blankets, & supplies
- Provide video, audio & photo documentation
- Paint banners & perform live music
- Raise public awareness of the need for Social Housing
- Build solidarity and enjoy!

*Members of Faculty, Support Staff and Administration are also welcome to attend!
