

Help fight for affordable housing in the Downtown Eastside

City council will be hearing members of the public (that's us) speak about its Downtown Eastside Housing Plan at City Hall on September 15th.

To help you get ready to speak, you're invited to a workshop at Carnegie.

Time: Tuesday, September 13th, 1 to 3 pm

Place: Carnegie Art Gallery, third floor

At the workshop you'll be able to

- See the City's Downtown Eastside Housing Plan
- Learn what's likely to happen at City Hall and get help getting on the speakers list
- Learn what points the Carnegie Community Centre Association thinks are important to make
- Get help working out your speech to city council

Sponsored by the Carnegie Community Action Project
